

WHAT IS NATIONAL RURAL HEALTH DAY?

Each year, the National Organization of State Offices of Rural Health (NOSORH), the 50 State Offices of Rural Health, partners, and community stakeholders set aside the third Thursday of November- November 21, 2019- to celebrate National Rural Health Day (NRHD)!

NRHD is an opportunity to celebrate the “Power of Rural” by honoring the selfless, community-minded, “can do” spirit that prevails in rural America. It also provides a chance to bring to light the unique healthcare challenges that rural citizens face – and showcase the efforts of rural healthcare providers, State Offices of Rural Health and other rural stakeholders to address those challenges.

With your support, we can shine a light on those who are making a positive difference for the estimated 57 million people living in rural America!

Together, we can make a bigger impact!

Follow NOSORH's social media pages for the latest NRHD updates!

3 WAYS TO SUPPORT NRHD 2019

1. Utilize NRHD Tools

Download and share the customizable resources offered in the online NRHD toolkits to enhance your outreach efforts to schools, churches, local media, businesses, etc.

2. Plan an Event

Visit PowerofRural.org to discover creative ways to engage your organization and community in NRHD special events and activities, such as Walk with a Doc.

3. Be Social

Highlight the impact of your rural work and share your celebration via social media and other communication channels! Use #PowerofRural in all social media postings!
